

# DILBERT® *Decorative Fluorescent Light Diffusers*

**ALICE** - Female engineer who is habitually over-worked and handles idiocy with her fist.

**THE BOSS** - His top priorities are the bottom line and looking good in front of his subordinates and superiors.

**CATBERT** - The evil Human Resources Director at Dilbert's company that mercilessly teases employees.

**DOGBERT** - His not-so-secret ambition is to conquer the world and enslave all humans.

**DILBERT** - An engineer that loves technology for the sake of technology.

**WALLY** - Engineer and cynical employee who has no sense of company loyalty.

DILBERT® means business. Anybody who works in an office or deals with bureaucracy relates to Dilbert's plight. Created by Scott Adams, DILBERT® addresses issues ranging from office-envy/challenges to new technology and the mayhem they produce. Create your own office-envy and "lighten up" the workplace with DILBERT® Sky-Scapes®!
